Steer clear of extreme interest rates at payday lenders, pawn shops or running up your high interest credit cards. When you need a hand up, we can provide a loan that won't set you back.

- Borrow up to a total of 12 weeks net (take home) pay.
- Pay no loan fees or application fees.
- No payments and 0% interest for the first 90 days.
- Pay interest-only at a rate of just 5% through 12/31/2019. Rate increases to 10% starting 1/1/2020.
- Access funds as paydays are missed by requesting additional draws.
- Borrowed funds are deposited into a Washington Federal checking account for easy access.
- Bring your last funded Federal paycheck along with either a Furlough Notice or zero-balance paystub to apply.
- Make payments for over three years, with final payment due by 12/31/2022.
