

West Salem - 178 Years Old

West Salem is eight square miles (5,200 acres) in size, but the population has grown from 10,500 in 1980 to an estimated 40,000 residents today. West Salem is located at latitude 44.939 and longitude -123.061 and is 144 feet above mean sea level. The beauty of our hills and farmland continues to attract families seeking top-notch schools, a variety of affordable home & apartment options, and seniors wanting proximity to medical centers and assisted living facilities.

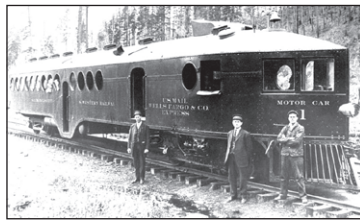

Our colorful history includes the

First store in 1906

home of Jesse and Julia Harritt, built in 1845. Their house on Wallace Road lays claim to Salem's oldest surviving home still on its original foundation.

Fairview Schoolhouse, located about a mile upstream from the West Salem ferry landing, opened

The McKeen Car ran from Falls City to West Salem for 25 years.

its doors in 1868.

The first store, West Salem Supply Company, was established in 1905 by Charles Spitzhart and was located at the corner of McNary and Edgewater streets. West Salem added a grocery store, Gerth's Cash Grocery, in 1911, at the corner of Gerth and Edgewater.

By 1912, a handful of homes dotted a clearing north of Edgewater and a large field of hops dominated the landscape. The City of West Salem was created on November 25, 1913. The population was estimated at 125.

In that same year, the Falls City Western train company established a regular passenger service by constructing a railroad bridge over the Willamette River. Regular mail service began in 1928. Early busi-

nesses included a company that made handles for picks, and a box factory - but it was the advent of canneries that spurred the community's economic development.

The West Salem City Hall, built in the early 1930's as a WPA project (est. cost \$30,000) on Edgewater Street, is now on the national register of historic buildings. 1949 marked the official end of the 36-year-old city of West Salem. It was officially laid to rest when Mayor Walter Musgrave handed the city's charter over to Salem Mayor Robert Elfstrom. The motivation for the smaller community - 2,000 residents to Salem's 43,000 - was better sewer, water and fire protection facilities.

The opening of West Salem High School in 2002 solidified the community and became the catalyst for the population surge we are experiencing.

Since that time - a new middle school, two elementary schools, several office complexes (including the new Pointe at Glen Creek), a slew of apartment buildings, and entire neighborhoods have been

welcomed into West Salem.

Traffic congestion continues to be the biggest concern for West Salem residents, but connectivity to the other side seemed to be the paramount issue when the first bridge over the Willamette River was built in 1886. A newer bridge (Center Street) to accommodate automobile traffic was constructed in 1918 and upgraded in 1983. A second bridge (Marion Street) was added in 1954. Today, commuters routinely waste dozens of hours every month sitting in traffic. A third bridge across the Willamette

West Salem City Hall

has been proposed for decades and has strong support in West Salem, but is currently opposed by a slim majority of empowered Salem City Councilors.

**Community
means
everything.**

That's why I'm proud to be here to help life go right™ – and to support West Salem High School. If there's anything you need, call me.

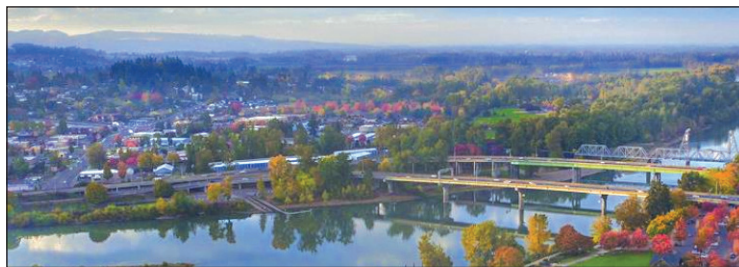

West Salem Business Association

For over 40 years the West Salem Business Association (WSBA) has been the organization that truly defines West Salem. Established in 1975, their goal is to enhance the general welfare of the West Salem community through networking, education, communication, and marketing.

This 2020 West Salem Business Directory is a joint project between the WSBA and the West Side Newspaper. 12,000 copies were printed and mailed to every business and home in West Salem on January 1, 2020.

As you drive along Wallace Road or Edgewater Street during the summer months, you'll notice dozens of colorful banners hanging on light poles above the sidewalk. During the winter holidays, you'll notice a different set of brightly lit Christmas banners draped

below the same poles. These are financed by the coffers of the WSBA members and the generosity of many West Salem residents.

The WSBA provides two college scholarships annually to high school seniors that live in the 97304 area code.

Approximately 100 businesses and individuals comprise the membership base of the WSBA. With the recent expansion of retail space in West Salem and a concentrated effort to encour-

age businesses to sign-up, 2018 marked the largest influx of new members in the history of the the WSBA. Monthly lunch meetings with guest speakers are held on the 4th Thursday of each month at Roth's in West Salem.

The 2020 WSBA Board of Directors are: President

Samantha Ross - Washington Federal Savings, Vice-President - Heidi Mackay - Ace Hardware, Past-President - Tim

Klarr, Keller Williams Realty, Treasurer - Nathan Wuerch - Oregon State Credit Union, Secretary - Britni Davidson - Salem Electric. Directors: Lyle Mordhorst - Les Schwab Tires, John Pataccol - Redhawk Winery, Rich Martin - Western Mennonite School, Sean Keene - Keller Williams Realty, LeRoy Hedberg - Auctioneer.

Christmas Decoration

Summer Banners

The WSBA hopes you will find this directory useful and will frequent the growing number of West Salem businesses here to serve you.

As you peruse this directory, please note all the business listings in

bright red - they are WSBA members.

If you'd like more info, write to: WSBA, P.O. Box 5021, Salem, OR 97304. Or visit them at: wsba-westsalem.com.

West Salem Parks

West Salem has six city parks for residents and visitors to enjoy. West Salem Park covers 1.6 acres and is located at 265 Rosemont Avenue NW, behind the Oak Hills Shopping Mall. It has picnic areas, benches, restrooms, and large shady evergreen trees. Thanks to a joint effort by the West Salem Rotary and several local businesses, the dilapidated wading pool was converted in the summer of 2004 into a fabulous water feature that kids enjoy all summer long. Thanks to another fundraising effort in 2014 – “Raise the Roof”, a permanent structure was erected over the event stage.

“Raise the Roof” provided cover for the stage at West Salem Park.

The West Salem Loins Club hosts

the popular and free Salem Electric Summer Concert Series held in July and August.

Orchard Heights Park

Orchard Heights Park covers 29 acres and includes over 95 trees. It lies near the corner of Orchard Heights Road and Parkway at 1165 Orchard Heights Road NW. It has tennis courts, playground equipment, picnic tables, restrooms, a walking path, off-leash dog area, BBQ grills, and baseball fields. The walking path that encircles the park offers a great exercise option for humans and canines.

Wallace Marine Park and Sports Complex is located at 200 Glen Creek Road NW. The 115 acre park boasts a softball complex, soccer and football fields, a picnic area, boat launch and is the eastern connection to the Union

Street Railroad pedestrian bridge. Paved pedestrian, pet, and bike trails have been added as well as improvements to the woody bark trails at the east end.

The Wallace Marine Park Sports Fields are considered one of the premiere softball complexes in the nation. The City of Salem owns and operates the facility. The complex consists of five tournament softball fields with lights, restrooms, bleachers, parking and a concession stand. The City's Department of Community Services schedules a range of local softball leagues ranging from recreational players to the very competitive teams looking to compete for a national championship.

League play includes a spring/summer schedule that begins in April and a fall league that begins in August for adults and in September for youngsters. For more information, call 503.588.6261 or

visit: softballcityusa.com.

Brush College Park, with a picnic area, ball field, horseshoe courts, picnic tables, and playground equipment sits at the corner of Doaks Ferry & Brush College Roads at 2600 Doaks

Brush College Park

Ferry Road NW. The park is bigger (8.84 acres) than it appears from the entrance. You'll only discover this gem if you get out and explore its hidden terrain.

Eola Ridge Park is located at 2501 Eola Drive NW. Consisting of roughly 5 acres, it is framed by Eola and Burley Hill Drives, Dan Avenue and Mule Deer Street.

College Heights Park is located at 348 Stoneway Drive NW. This 3.45 acre neighborhood park includes ball fields, play equipment, picnic tables and a walking path.

West Salem Branch Library

The 6,000 square foot building is located at 395 Glen Creek Road NW, across from the West Salem Post Office. The West Salem Branch Library sits on land donated by the late Orville Roth (founder of Roth's Fresh Markets). With significant donations from West Salem residents, a federal

grant through the Oregon State Library, and City of Salem general fund money – the Library opened

its doors on September 25, 1995.

In conjunction with the main library in downtown Salem, patrons have access to over 350,000 items, including print and audio books, DVDs and videos, music CDs and cassettes.

The Summer Reading Club is a favorite for young readers and the hard working staff prepares a special holiday section in mid-November for all to enjoy.

The hours of operation are Mon: 10am-5pm, Tues-Wed: noon-6pm, Thur & Sun: closed, Fri-Sat: noon-6pm. (Please be advised, hours are subject to change.) For information call 503-588-6301 or go to: salemlibrary.org

Brunk Farmstead

A visit to the Historic Brunk House is a step back in time. Located at 5705 Hwy 22 W, the house was built in 1861 for Harrison and Emily Brunk, who arrived in Oregon by wagon train in 1849. The home was built in 18 months at a cost of \$844.

Architecturally, the house is Classical Revival. The central opening unfolds into the interior hallway, which reveals double fireplaces and square

or rectangular rooms. It was a style commonly used during the early to mid-1800's for brick homes in Kentucky and Tennessee.

In addition to the house, the original farmstead included a granary, several barns and, of course, the privy. Brunk was considered an excellent farmer who raised cattle, hogs and sheep and grew a variety of fruit.

The Brunks divided their parlour into two extra bedrooms for weary travelers to bed down. The house has been restored to its original pre-1900's use as a farmstead, a costly and time-consuming chore in light of several remodellings that have taken place since those days.

The Brunk House was designated a Century Farm in 1959 and was listed in the National Register of Historic Sites in 1975. The Polk County Historical Society maintains the grounds with the assistance of the Master Gardners Program.

There is an Open House & Pie

Social in mid-April. The chatter of children from local schools fills the rooms in May. Early summer brings on the planting, followed in late summer and fall by the harvest season. Each October there is a public cider-

making day with apples from the Brunk orchards.

The Brunk House closes tours and visits for the winter in mid-November. However, the Blacksmith shop is open on the second Saturday of each month from 12:00pm to 4:00pm through the winter. To schedule a tour or to ask questions, contact Ann Gage at 503-843-2646 and leave a message.

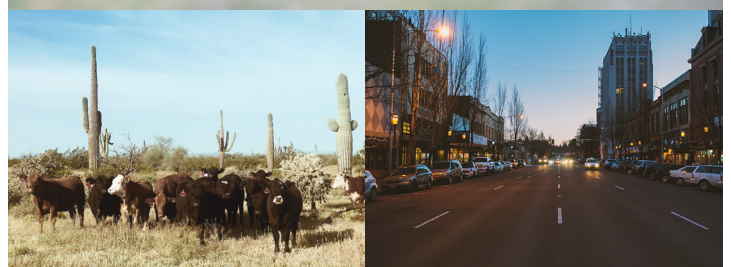

In late February through mid-November, the Brunk Farmstead is open for tours on Mondays and Tuesdays from 9:00am to 12:00pm, in addition to the second Saturday of each month from 12:00pm to 4:00pm. Members tour for free, non-members between the ages of 17-61 must pay \$5, seniors (62+) must pay \$4 and students (6-7 with student ID cards) pay \$1 for entrance.

The mission of the Brunk House team is to encourage the study, knowledge and understanding of the history of Polk County, Oregon.

West Salem

Leadership Remains Intact for 2020

WSBA leadership team for 2019-2020 (L-R) Kevin S. Chambers (Chair), Marc Coutis (Vice Chair), and Tammy Goad (Treasurer/Secretary).

Founded in 1975, the West Salem Neighborhood Association serves as a forum for neighbors to come together to create the community where you want to live. The association seeks to involve neighbors in local government planning and decision-making. If you live, work, or own property in West Salem you are invited to join the conversation.

Meetings are held the 3rd Monday, 7 p.m. at Roth's IGA, 1130

Wallace RD NW, Salem OR 97304. You can find a calendar for specific dates, meeting minutes, and much more at: cityofsalem.net/west-salem-neighborhood-association.

The 2020 leadership group includes the following: Land Use – Steve Anderson, Traffic & Infrastructure – Nick Fortey, Parks – Micki Varney, Disaster Preparedness – Mike Evans, and “Difference Makers” – Craig Evans.

WSNA Goals 2019-2020

CERT Training

Promote members of WSNA to take CERT training and promote its benefits to all in Salem.

West Salem representation on SKSD Board

Seek opportunities to engage with SKSD and raise the participation levels at the district from West Salem residents.

Continue outreach and collaboration with West Salem Business Association

Seek opportunities to engage with WSBA and raise the participation levels in WSBA from West Salem residents.

Participate with the City on providing services and solutions to the homeless

Encourage members of WSNA to engage and do the work of supporting the homeless population, together with the City of Salem, through efforts identified by the homelessness solutions task force and in other mutually beneficial ways.

Participate in “Our Salem” efforts with the city to update the overall Comprehensive Plan.

Encourage members of WSNA to engage with the City’s “Our Salem” planning efforts to update the comprehensive plan for the city. Specifically focus on roads and vehicular transportation as part of “Safe, Reliable, Efficient Infrastructure.”

West Salem Neighborhood Plan

Encourage members of WSNA to engage with the city, after the “Our Salem” effort completion, to update the West Salem neighborhood plan, highlighting elements of West Salem that are not addressed specifically in the overall revision of the comprehensive plan.

Work to identify ways to reduce traffic congestion on Wallace Road

Encourage members of WSNA to engage with the city in implementation efforts of recommendations from the congestion task force, where appropriate and possible.

Construction of Marine Drive

Encourage members of WSNA to engage with the city in the implementation efforts of Marine Drive construction, where appropriate and possible.

Continue Discussion and Involvement in “3rd Bridge” or “additional river crossing”

Encourage members of WSNA to continue to engage with the city in discussion of an additional river crossing.

Emergency Public Works Equipment Staged in West Salem

Work with the City of Salem through Public Works and potentially state legislative programs to procure, obtain, or otherwise identify heavy equipment and other public works equipment necessary for emergency services in a Cascadia earthquake-style event.
